**SUBJECT:** Environmental Assessment Scoping Notice for the Proposed Construction and Operation of an Outpatient Clinic in Nashville, Tennessee **[VA ID# EAXX-029-15-VHA-1729883906]**

Dear Valued Stakeholder:

The U.S. Department of Veterans Affairs (VA) is proposing to construct and operate an outpatient clinic (OPC) in Nashville, Tennessee (the Proposed Action). The purpose of the Proposed Action is to provide enhanced and expanded primary care and mental health services and add a comprehensive array of specialty care outpatient services to serve Veterans in Nashville and the surrounding communities in a modern, state-of-the art facility. The OPC will be constructed by a private entity for the VA to lease and operate at one of three sites being considered (Figure 1):

(1) World Baptist Center Drive
(2) Intersection of Ashland City Highway and Clarksville Pike
(3) Felicia Street and 26th Avenue North

VA is preparing an environmental assessment (EA) to analyze the potential environmental impacts of the Proposed Action. VA is seeking input from stakeholders as part of the scoping process in the development of this document. VA is preparing the EA in accordance with the National Environmental Policy Act of 1969 (NEPA) (42 U.S. Code [USC] § 4321- 4370), as implemented by the Council on Environmental Quality (40 Code of Federal Regulations [CFR] Parts 1500-1508), and VA's NEPA regulations (38 CFR Part 26).

Through this notice, VA is providing the public with information about the undertaking and seeking input about the undertaking's effects on historic properties pursuant to Section 106 of the National Historic Preservation Act (NHPA) of 1966, as amended, (54 USC § 306108), and its implementing regulations (36 CFR Part 800 – Protection of Historic Properties). VA is using its procedures for public involvement under NEPA in lieu of public involvement requirements in Subpart B of the Section 106 regulations per 36 CFR Part 800.2(d)(3). This notice does not serve as an invitation to consult under Section 106, it is solely to seek and consider the views of the public. VA conducted its Section 106 review and consultation separately.

If you have comments on the scope of the EA, the range of alternatives, and environmental issues for in-depth analysis, please email your comments to vacoenvironment@va.gov with the subject line "Nashville OPC EA".

Additionally, VA will publish the Draft EA online at http://www.cfm.va.gov/environmental/index.asp for a 30-day public review and comment period. The Notice of Availability will be posted in *The Tennessean*.

Respectfully,
