Appendix A: Permits

In addition to the regulatory framework of NEPA, the CEQ Regulations Implementing the Procedural Provisions of NEPA, VA's NEPA regulations (38 CFR Part 26), and VA's NEPA Interim Guidance for Projects, the following federal, state, and/or local environmental permits and approvals are required as part of the proposed action. This list may not be exhaustive, and the selected developer will be responsible for any additional compliance and permits.

- City of Tulsa Watershed Development Permit (Ord. Nos. 16959, 17285; Ord. No. 22250, § 1, 6-10-2010).
- Medical Waste Disposal Permit through the Oklahoma Department of Health (Title 310. Oklahoma State Department of Health Chapter 667).
- City of Tulsa Noise ordinance (Chapter 14, Section 1400).
- Plans and specifications for the construction, expansion or alteration of the City of Tulsa water system must be approved through the City of Tulsa, delegated plan approval authority. Please contact them at (918)596-9456.
- Construction permit with ODEQ/USEPA for construction of HVAC system.
- Stormwater connection permit through the Independent Developer Project permit as part of the building permit.
