### Collection Description

This collection consists of two series. The first is documentation collected by Dr. Stuart Gilman during his tenure with the Office of Academic Affiliations. Documentation primarily includes the history and evolution of graduate medical education in the VA. There are no policy or executive decision documents.

The second series includes is a scanned copy of Dr. George Smith's *History of VA Education*, written in 2000. Dr. Smith was contracted to write the monograph and Dr. Gilman functioned as the Contracting Officer's Technical Representative (COTR). There are two copies of the original document at the library at Long Beach VA Medical Center, per Dr. Gilman. These files were scanned from his copy. There does not appear to be a hard-bound volume.

### General Notes
